OK!

[Ex. 6 - Personal Privacy] – see attached final list of the US delegation (including drivers) – per our conversation, please leave CDA [Ex. 6 - Personal Privacy] and her driver [Ex. 6 - Personal Privacy] badges at the Savoia, in case she arrives before us at the Hotel.

Thank you so much!

Hodayah will let us know if she thinks otherwise, but since she may be in negotiations right now, I think it would be good if you can pick them up, Fede, because you will be seeing them all tomorrow at the lunch and/or meet & greet and this saves them a trip to the Best Western tomorrow. Please confirm if you are able to get them and I will email all the side event participants updating them that their badges will be with you.

Thanks!

Hi Hodayah

Do you also want that Ex. 6 - Personal Privacy delivers the badges for the side events to me? I read somewhere that the G7 organizers were delivering them – please advise!
